Note: To calculate the funded BRL for any year in which a deficit applies, multiply the statutory amount times the deficit factor for that year.

**Beginning with 2000-01, the statutory BRL and the funded BRL are the same. The funded BRL for 2000-01 increased by an average of 10.8% over 1999-00 after the state allocated \$1.84 billion to eliminate the deficit.
